

# The Browning School Calendar

2018 - 2019

#### **MISSION STATEMENT**

Founded in 1888 as a college preparatory school for boys,

The Browning School continues its commitment
to the goals of John A. Browning:
the pursuit of academic excellence and a lifelong love of learning,
the belief in the dignity of the individual, and
the development of personal integrity
and responsibility to the broader community.
The Browning boy develops amid these values.
The Browning alumnus is a good citizen,
sensitive to the needs of others,
and respectful of divergent yet informed opinions.
He is, in the best sense of the word, a gentleman.

#### **DIVERSITY STATEMENT**

The Browning School strives to create a diverse community in which all members are safe, respected, and valued.

We believe that in actively promoting a diverse learning environment, we are fostering intellectual, social, and emotional growth for all.

Recognizing and pursuing diversity, however, are not enough; we seek to transcend mere tolerance of differences and aspire to a celebration of the varied appearances, abilities, perspectives, and values that characterize our community.
