- Snack: Boys in all programs are provided with a snack.
- **NO REFUNDS** will be given after the second scheduled class.

ENCORE

Extended Day Activities

MONDAY

After School Study

A guided study session will be offered during each day of Encore. Students have the opportunity to get a head start on their homework under the supervision of a Browning faculty member. This course will be helpful to anyone who can use a little assistance with homework. This program is offered to students in Grades 2-7.

Instructor: Caitlin Coleman, Third Grade Teacher **Price \$550**

Engineering for Kids

Attention future engineers! This new program is designed to enhance and encourage curiosity and enthusiasm for science, technology, engineering, and mathematics (STEM) in a hands-on experience. Students will get an opportunity to explore, innovate, and problem-solve in Browning's technology lab. This program is offered to students in Grade 2-4. (Materials fee: \$25)

Instructor: Jeremy Sambuca, Technology Coordinator **Price \$575**

Arts and Crafts

In this class, the boys will use various resources to enhance their art projects. Some of the projects will include water coloring, coal sketching, leaf printing, and many additional crafts using our natural surroundings. This program is offered to students in Grades PP-2. (Materials fee: \$25)

Instructor: Julianne Rowland, First Grade Associate **Price \$575**

Performing Arts

This course is perfect for boys who wish to develop their acting and performance skills, as well as learn how to collaborate with other students on creative endeavors. Boys will engage in improvisational games and skill-building activities, scene study, movement exercises and play writing. This program is offered to students in Grades 3-4. (Materials fee: \$25)

Instructor: Sarah Murphy, Librarian **Price \$575**

French

This course proposes a lively introduction to French language and culture. Through a diverse curriculum, that includes art, song and game, students will learn basic phrases and vocabulary. This course favors oral expression and is intended to serve as a foundation for future learning. This program is offered to students in Grades PP-4. Grades PP-2 classes run from 3pm-4pm and Grades 3-4 classes run from 4pm-5pm. (Materials fee: \$25)

Instructor: Maud Dubreuil-Simons

Price \$575

Corbin's Crusaders

Boys are picked up at Browning at dismissal and brought home between 5:45–6:15 pm. Families who live outside of 59th–110th Street may pay a surcharge to have their children transported home.

Golf: Offered to students in Grades PP-2; 3-5

Price \$1,045

Ice Skating: Offered to students in Grades PP-2; 3-5

Price \$990

Team Sports: Offered to students in Grades PP-2; 3-5

Price \$990

Soccer: Offered to students in Grades PP-2, 3-5

Price \$990

TUESDAY

After School Study

A guided study session will be offered during each day of Encore. Students have the opportunity to get a head start on their homework under the supervision of a Browning faculty member. This course will be helpful to anyone who can use a little assistance with homework. This program is offered to students in Grades 2 - 7.

Instructor: Julianne Rowland, First Grade Associate **Price \$700**

Hands-On Science

Hands-On Science offers your son a variety of opportunities for scientific exploration. Experiments will range from chemistry, to animals, to engineering. Each student will be an integral part of the process of each experiment. Your son will have the opportunity to use many of the materials in the science lab, dive further into his hands-on scientific thinking, and have fun too! This program is offered to students in Grades PP-1. (Materials fee included: \$25)

Instructor: Stephanie Seto, LS Science Teacher

Price \$725

Tuesday Continued...

Advanced Lego Robotics

Students will explore engineering concepts to design, program and control fully-functional model Lego Mindstorm NXT robotics. Using the NXT-G software, the boys will begin to explore advanced functions in order to complete the various individual and team challenges. This club is recommended, but not required for students with experience with Lego Robotics. This program is offered to students in Grades 3 and 4.

Instructor: Bradley Droke, Technology Teacher **Price \$725**

Mandarin

This course proposes a lively introduction to Mandarin language and culture. The students will be encouraged to learn the Chinese culture and language in a creative and participatory environment. Activities focus on simple Mandarin conversation, writing, songs, and games. The class uses folk dance and modern movement, music, drawing, and storytelling. The course is intended to serve as a foundation for future learning. This program is offered to students in Grades PP-4. Grades PP-2 classes run from 3pm-4pm and Grades 3-4 classes run from 4pm-5pm. (Materials fee included: \$25)

Instructor: Mei Yin Ng, The Laurel Project **Price \$725**

Corbin's Crusaders

Boys are picked up at Browning at dismissal and brought home between 5:45–6:15 pm. Families who live outside of 59th–110th Street may pay a surcharge to have their children transported home.

Lacrosse: Offered to students in Grades PP-2; 3-5 **Price \$1,260**

Fencing: Offered to students in Grades PP-2; 3-5 **Price \$1,260**

WEDNESDAY

Corbin's Crusaders

Boys are picked up at Browning at dismissal and brought home between 5:45–6:15 pm. Families who live outside of 59th–110th Street may pay a surcharge to have their children transported home.

Flag Football: Offered to students in Grades PP-2; 3-5
Price \$1,170

Basketball: Offered to students in Grades PP-2; 3-5
Price \$1,170

THURSDAY

After School Study

A guided study session will be offered during each day of Encore. Students have the opportunity to get a head start on their homework under the supervision of a Browning faculty member. This course will be helpful to anyone who can use a little assistance with homework. This program is offered to students in Grades 2-7.

Instructor: Lauren Alterman, Fourth Grade Teacher **Price \$650**

Cooking

This class will give the boys hand-on experiences in the kitchen. They will become familiar with the workings of a kitchen and will create exciting dishes. They will also learn about nutrition, different ingredients, and delicious recipes. This course will be an exciting learning experience for the young chef. This program is offered to students in Grades PP-1. (Materials fee: \$25)

Instructor: Malory Holman, Pre-Primary Associate **Price \$675**

Lego™ Construction

Participants use their creativity and imagination to invent buildings, structures, and designs with Legos. Children will have the opportunity to work as a team or individually to practice their construction skills. This program is offered to students in Grades 2-3. (Materials fee included: \$25)

Instructor: Stephanie Seto, Science Teacher **Price \$675**

Let's Start Writing!

A writing club for boys that will encourage imaginative expression through works of fiction writing, ranging from mystery, adventure, fairy-tale/fantasy, comics, poetry or topics of their choice. Boys will participate in mini-lessons that will further develop and enhance their writing skills while collaborating with their peers. This program is offered to students in Grades 2-4. (Materials fee included: \$25)

Instructor: Lillian Darche, Pre-Primary Associate **Price \$675**

Thursday Continued...

Corbin's Crusaders
