Spring ENCORE begins on March 30 and ends on May 29, 2015

• Boys MUST be picked up by 5:00 pm promptly. ($1.00 per minute after 5:00 pm)

• Encore Coordinator Susan Kehoe may be reached at 212-838-6280, ext. 109 or skehoe@browning.edu

• Boys in all programs are provided with a snack.

• NO REFUNDS will be given after the second scheduled class if it is a Browning class. You must pay for all classes attended with Corbin’s Crusaders.
ENCORE
Extended Day Activities

MONDAY

AFTER SCHOOL STUDY
This guided study session will give students the opportunity to get a head start on their homework under the supervision of a Browning faculty member. This course will be helpful to anyone who can use a little assistance with homework.

This program is offered to students in Grades 2-7.
Instructor: Caitlin Coleman, Pre-Primary
Price $350

PERFORMING ARTS
This course is perfect for boys who wish to develop their acting and performance skills, as well as learn how to collaborate with other students on creative endeavors. Boys will engage in improvisational games and skill-building activities, scene study, movement exercises and play writing. Boys should plan to sign up for both Winter and Spring Encore; the culminating public performance of the “Drama Club” will be at the end of the Spring Encore session.

This program is offered to students in Grades 3-4. (Materials fee: $25)
Instructor: Sarah Murphy, Librarian
Price $375

ENGINEERING FOR KIDS
Attention future engineers! This new program is designed to enhance and encourage curiosity and enthusiasm for science, technology, engineering, and mathematics (STEM) in a hands-on experience. Students will get an opportunity to explore, innovate, and problem-solve in Browning’s technology lab.

This program is offered to students in Grades 2-4 (max of 12 students)
Instructor: Brad Droke, Academic Technology Specialist
Price $350
HANDS-ON SCIENCE

Hands-On Science offers your son a variety of opportunities for scientific exploration. Experiments will range from chemistry, to animals, to engineering. Each student will be an integral part of the process of each experiment - designing, observing and measuring. Your son will have the opportunity to use many of the materials in the science lab, dive further into his hands-on scientific thinking, and have fun too!

This program is offered to students in Grades 3-4. (Materials fee: $25)
Instructor: Julia Kingsdale, Lower School Science
Price $375

LEGOS

Participants use their creativity and imagination to invent buildings, structures, and designs with Legos. Children can work together or alone to practice their construction skills.

This program is offered to students in Grades 2-3 (Materials fee: $25)
Instructor: Rachel Gerber, Lower School Second Grade Teacher
Price $375

ARTS AND CRAFTS

In this class, the boys will use various resources to enhance their art projects. Some of the projects will include water coloring, coal sketching, leaf printing, and many more crafts using our natural surroundings.

This program is offered to students in Grades PP-2 (Materials fee: $25)
Instructor: Julianne Rowland, Pre-Primary Associate
Price $375

FENCING

En garde! Learn the fast-paced, thrilling Olympic sport of fencing. Students develop their coordination, speed, strength, and flexibility in a sport that is both intellectually and physically stimulating. Starting with basic positions and movements, the students learn to face-off against one another in a controlled and safe environment. Staffed by coaches from Sheridan Fencing Academy--home to the 2013 World Champion and 2014 NCAA Champion--this class is as fun as it is unique.

This program is offered to Grades PP-2
Minimum 6 boys, Maximum 9 boys
Instructor: Sheridan Fencing
Pick-up is at 4:30 pm
Price: $385
CORBIN’S CRUSADERS

Boys are picked up at Browning at dismissal and brought home between 5:45-6:15 pm. Families who live outside of 59th-110th Street may pay a surcharge to have their children transported home.

*Ice Skating at Chelsea Piers: Offered to students in Grades PP-5*
*Dress for winter – outdoor program*
*Price $630*

*Team Sports at Randall’s Island: Offered to students in Grades PP-1; 2-4; 5-6*
*Price $630*

TUESDAY

AFTER SCHOOL STUDY

This guided study session will give students the opportunity to get a head start on their homework under the supervision of a Browning faculty member. This course will be helpful to anyone who can use a little assistance with homework.

*This program is offered to students in Grades 2-7.*
*Instructor: Julianne Rowland, First Grade*
*Price $440*

EPIC MAKERS AND INVENTORS CLUB

The Epic Makers and Inventors club will explore the maker movement and what it means to be a maker. Makers make things! Boys will investigate topics such as circuits, electricity, and game design. Boys will be given the opportunity to engage in the engineering design process by making and inventing things such as their own marble runs! The goal of this club is to bring together a group of curious young inventors, makers, engineers, and tinkerers to celebrate the process of constructing machines.

*This program is offered to students in Grades PP-1 (Materials fee: $25)*
*Instructor: Ruth Smith, Pre-Primary Associate*
*Price $465*
THE NUMBERS GAME

In The Numbers Game, students will explore the many roles of math in strategy games. We will play games that are specifically designed around math, as well as explore the concept of game theory (a mathematical way to study strategic decision making). We will explore how game theory can be used to study games as simple as rock-paper-scissors and as complex as chess. Students will also use iPads to explore technology-based games and races, where they can challenge their friends on mathematical topics ranging from times-tables to algebra.

This program is offered to students in Grades 3-4
Instructor: Jeff Lisciandrello, Fifth Grade
Price $440

POPFIT FUNCTIONAL FITNESS

Whether preparing for sports or general movement, this fun-plus-fitness club introduces exercise and conditioning in a cool, fast-paced environment. Among the many techniques to be taught, students will learn the proper way to sit right for a sit-up, bend it for a box jump and lateral lunge with accuracy.

Kids will engage week to week in high-energy circuit activities, agility drills, resistance training, dynamic stretches and more while learning the benefit of the PopFit Fab Five: Cardio, Strength, Flexibility, Endurance, and Balance. The program also features nutritional education and take home challenges sure to keep everyone on their feet!

This program is offered to students in Grades PP-1.
Instructor: PopFit Staff
Price $490

CORBIN’S CRUSADERS

Boys are picked up at Browning at dismissal and brought home between 5:45–6:15 pm. Families who live outside of 59th–110th Street may pay a surcharge to have their children transported home.

Lacrosse at Randall’s Island: Offered to students in Grades 1-3, 4-5
Must purchase full equipment – helmet, gloves, stick, shoulder and arm pads
Dress for winter – outdoor program
Price $810
WEDNESDAY

CORBIN’S CRUSADERS
Boys are picked up at Browning at dismissal and brought home between 5:45–6:15 pm. Families who live outside of 59th–110th Street may pay a surcharge to have their children transported home.

Flag Football at Randall’s Island: Offered to students in Grades PP-5
Price $720

Basketball: Offered to students in Grades PP-5
Price $720

THURSDAY

AFTER SCHOOL STUDY
This guided study session will give students the opportunity to get a head start on their homework under the supervision of a Browning faculty member. This course will be helpful to anyone who can use a little assistance with homework.

This program is offered to students in Grades 2-7.
Instructor: Marcia Wallace, Math Specialist
Price $395

FENCING
En garde! Learn the fast-paced, thrilling Olympic sport of fencing. Students develop their coordination, speed, strength, and flexibility in a sport that is both intellectually and physically stimulating. Starting with basic positions and movements, the students learn to face-off against one another in a controlled and safe environment. Staffed by coaches from Sheridan Fencing Academy—home to the 2013 World Champion and 2014 NCAA Champion—this class is as fun as it is unique.

This program is offered to Grades 3-4
