NEIGHBORHOOD WALKING PERMISSION FORM

Dear Parents,

At times throughout the year, teachers like to take advantage of Browning's immediate neighborhood and take the boys on local outings and explorations to enhance the curriculum. For any trip involving transportation, we will always send home a permission slip advising you of all details. For more local opportunities and for spontaneous trips to Central Park, etc. we ask that you sign this Neighborhood Walking Permission Form.

Cordially,

Laurie Gruhn  
Assistant Head of School  
Head of Lower School

-----  
I give my son, \_\_\_\_\_  
permission to accompany his teacher and classmates on neighborhood exploration  
walks and local trips that enhance the curriculum.
