

October 8, 2015

Dear Parents,

Today I was in the 6th grade classroom for session 4 of the internet safety curriculum. We talked about over exposure on social media. This was the final session of the program and once again, the students were very engaged and involved in the discussion! Please click on this link to see the summary of what was covered today and to continue the conversation with your child:

[Internet Safety Curriculum - The Browning School - Oct. 8, 2015](#)

Please feel free to contact me directly if you have any questions or concerns.

Warmest regards,

Liz Repking
