SPRING BENEFIT 2015

Dear Browning Friends,

This year's Spring Benefit, An Evening Honoring Jim Chanos, will take place on Friday, May 15, 2015, at the Central Park Zoo! Jim Chanos has been the President of The Browning School Board of Trustees for fifteen years and has lent his endless support, commitment and leadership to the school during this time. This evening is to express our appreciation to Jim and to celebrate the evolution of the school throughout his tenure.

The evening will begin with a cocktail hour followed by dinner, dancing, entertainment and a live auction. Please note that there will be no silent auction as there has been in prior years. There will be a special opportunity to pledge your support to the The Browning School after the live auction. All proceeds from the Benefit will be used to provide exciting resources and opportunities including faculty development, financial assistance and programs to enhance our students' day-to-day experiences.

It is our hope that every family can participate in this year's special event. There are many ways you may contribute to the success of the evening:

1. Join us at the Benefit on May 15!
2. Underwrite the evening. Help pay the fixed costs of the evening so that more of the proceeds can directly benefit our school. A list of underwriting opportunities is enclosed.
3. Pledge your support to Browning through a specific pledge amount. Details will be provided the night of the Benefit.

We look forward to your involvement with this fun event. If you have any questions, please do not hesitate to contact us.

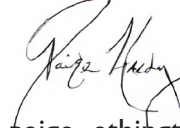

With warm regards,

Chanda Chapin
