February 2019

Dear Browning Parents:

Enclosed you will find the **Vacation Dates for 2019-2020**. We hope you find this information useful in planning for next year. In early July, we will send you the full school calendar, along with Encore, chess and music brochures, and the family handbook. We will send one additional mailing in August with all other material, including walking slips, universal permission slips, health forms, etc. Any orientation information will also be sent in a separate mailing.

We send you these dates now because we request that you respect the beginnings and endings of school holidays. We ask families to note these dates and to plan events around them. It is important that the boys are in school on the last day before and the first day after holiday breaks. It sends an unfortunate message to the boys when they see some classmates extending school holidays, and it places an unfair burden on faculty.

We hope that by sending out the calendar six months prior to the start of the school year, families will be able to schedule their plans accordingly.

Sincerely,

Laurie A. Gruhn
Assistant Head of School
