

Celebrating 25 Years of Leadership

*An evening to honor the 25th Anniversary
of Headmaster Stephen M. Clement, III*

THE BROWNING SPRING BENEFIT
FRIDAY, MAY 3, 2013
AMERICAN MUSEUM OF NATURAL HISTORY

Dear Browning Friends,

This year the Spring Benefit will take place on Friday, May 3, 2013, at The American Museum of Natural History. We are excited to be honoring Stephen M. Clement, III as he celebrates his 25th year as Headmaster of The Browning School.

The evening will begin with a cocktail hour during which the items in our Silent Auction will be available to browse and bid on. Dinner, dancing and our live auction will follow. All proceeds from the Benefit are used to provide exciting resources and opportunities including faculty development, financial assistance and programs that enhance our students' experience each and every day.

It is our hope that every family can participate in this year's special event. There are many ways for you to contribute to the success of the evening:

- 1. Donate or solicit items for the auction or raffle.** Our wish list of items includes trips, sports tickets, special events and experiences, electronics, jewelry, handbags, artwork, and restaurant and other gift certificates. Special experiences like having lunch or dinner with an author/entertainer/politician, having a famous chef prepare dinner in your home, throwing out the first ball at a minor league baseball game, or riding the Zamboni at a hockey game are all exceptionally great donation items.
- 2. Underwrite the evening.** Help pay the fixed costs of the evening so that more of the proceeds can directly benefit our school.
- 3. Join us at the Benefit on May 3!**

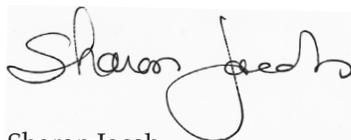

Please find enclosed in this letter three forms – a letter you can use for soliciting items, a list of underwriting opportunities and donation forms.

We would love your involvement during this very special year. If you have any questions or ideas, please do not hesitate to contact us.

With Warm Regards,

THE BROWNING SPRING BENEFIT
FRIDAY, MAY 3, 2013
AMERICAN MUSEUM OF NATURAL HISTORY

Dear Friends and Neighbors,

The Parents' Association of The Browning School would like to invite you to join us in supporting our Annual Spring Benefit, which will take place on Friday, May 3, 2013 at The American Museum of Natural History. Over 450 guests are expected to attend the event where we will be honoring Stephen M. Clement, III as he celebrates his 25th year as Headmaster of the School. All proceeds raised from the Benefit help to fund classroom resources and activities that dramatically impact faculty development, financial assistance and students' experiences.

The Browning School is an independent school for boys from grades K through 12, located on East 62nd Street between Madison and Park Avenues. Founded in 1888, Browning prides itself on its longstanding commitment to academic excellence and to the development of each student's personal integrity and responsibility to the broader community.

We thank you in advance for your generous participation. This is a special opportunity to promote your business while supporting a worthwhile cause. The Browning community greatly appreciates the participation of all our sponsors. You and your gift will be acknowledged in the Benefit Program, which will be given to all guests.

A copy of the donation form is enclosed for return to Christine Bramble by March 15, 2013, should you wish to participate. A copy will be returned to you for your records with a gift acknowledgement. All gifts are tax-deductible to the extent as permitted by law.

Thank you for being part of this special event.
